# 2022 Health Investment Grants

Ramaciotti Health Investment Grants of up to \$100,000 are awarded to individuals for a contribution towards the undertaking of health or medical research with the potential path to clinical application within five years. They are intended to provide enabling research support for autonomous early career investigators who are taking or have recently taken, a substantial position. Grants are awarded by Perpetual, as trustee of the Ramaciotti Foundations, on the recommendation of the Ramaciotti Scientific Advisory Committee.

Perpetual is pleased to congratulate this year's recipients.
