Perpetual Concentrated Equity Fund

About the Fund

Perpetual's Concentrated Equity Fund offers a concentrated portfolio of between 20 and 45 high quality Australian shares, focused on capturing sustainable, long-term returns for investors.

The Fund's investment team conducts extensive fundamental research and only invests in a company when they believe the share price is attractive relative to its return potential. They seek to hold the positions long-term, provided that the quality of the business remains unchanged, and the price remains attractive, underlining the focus on sustainable long-term investment returns.

Fund design

The Perpetual Concentrated Equity Fund is designed for investors who are seeking long-term capital growth and income through investment predominantly in quality Australian industrial and resource shares, have a minimum investment timeframe of five years or longer and are comfortable with the risks associated with the Fund. The Fund has a risk level of High*.

What are the risks?

All investments carry risk (such as market and economic risk and asset risk) and different strategies may carry different levels of risk.

The relevant product disclosure statement or offering document for a fund outlines the significant risks that may affect your investment and should be considered before deciding whether to acquire or hold units in that fund. Your financial adviser can assist you in determining whether a fund is suited to your financial needs.

* As represented by the Standard Risk Measure (SRM). The SRM is based on industry guidance. The SRM is not a complete assessment of all forms of investment risk.
