## Explanatory Memorandum

### WHO MAY VOTE

Pursuant to regulation 7.11.37 of the Corporations Regulations 2001 the Company has determined that persons whose names are set out in the register of Shareholders of the Company as at 7pm (Sydney time) on Tuesday, 15 October 2024 are entitled to vote at the meeting convened by this Notice of Meeting.

### VOTING BY POLL

The Chairman of the AGM will put resolutions to a poll at the AGM. Voting results on the resolutions that are put to the meeting (including the relevant proxy votes) will be announced to the ASX as soon as practicable after the AGM.

### APPOINTMENT OF PROXIES

A Shareholder who is entitled to vote at the meeting has a right to appoint up to two proxies to attend and vote for the Shareholder at the AGM. A proxy need not be a Shareholder.

Where a Shareholder appoints two proxies, the appointment may specify the proportion or number of votes which each proxy may exercise. Fractions of votes will be disregarded.

If the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, then each proxy may exercise half those votes.

A proxy may decide whether or not to vote on any proposed resolution, except where required by law or the Company's Constitution to vote. If the Shareholder appointing the proxy:

- directs the proxy how to vote on a proposed resolution, then the proxy may vote on that resolution only in the way directed; or
- does not direct the proxy how to vote on a proposed resolution, then the proxy may vote on that resolution as the proxy thinks fit, subject to any voting exclusions that apply to the proxy; or
- directs the proxy to abstain, the proxy must not vote on the Shareholder's behalf and any vote will not be counted.

If you appoint someone as a proxy (other than the Chairman of the AGM) and direct them how to vote, the Chairman of the AGM must cast those votes on your behalf on a poll in accordance with your directions if your proxy does not do so.

If you appoint the Chairman of the AGM as your proxy (or if he is appointed by default) and no direction is provided in relation to a resolution, you will be expressly authorising the Chairman to exercise your proxy as the Chairman sees fit in relation to that resolution. This includes resolution 1 (Adoption of the Remuneration Report), and resolution 6 (Approval of the hurdled equity grant to the new CEO and Managing Director) even though the resolutions are connected directly or indirectly with the remuneration of the Company's KMP.

If you appoint a Director (other than the Chairman of the AGM) or another member of the Company's KMP or their closely related parties as your proxy, you must specify how they should vote on resolutions 1 and 6 by completing the 'For', 'Against' or 'Abstain' boxes on the proxy form. If you do not, your proxy will not be able to exercise your vote on these resolutions.

### UNDIRECTED PROXIES

The Chairman of the AGM intends to vote all available proxies in favour of resolutions 1, 2, 3, 4, 6 and 7, and against resolution 5.

### LODGEMENT OF PROXIES

To be valid, a proxy form must be completed and received by the Company **by 10am (Sydney time) on Tuesday, 15 October 2024**. The Proxy Form may be downloaded online at <https://www.perpetual.com.au/shareholders/annual-general-meeting>

may be addressed to the Company's auditor.

Questions will be collated, and, during the AGM, the Chairman will seek to address as many of the more frequently raised topics as possible and, where appropriate, will give a representative of KPMG, the Company's auditor, the opportunity to answer written questions submitted to the auditor. However, there may not be sufficient time available at the AGM to address all topics raised. Please note that individual responses will not be sent to Shareholders and the auditor is not obliged to provide written answers.

### TECHNICAL DIFFICULTIES

Technical difficulties may arise during the course of the AGM. The Chairman of the AGM has discretion as to whether and how the meeting should proceed if a technical difficulty arises. In exercising this discretion, the Chairman will have regard to the number of Shareholders impacted and the extent to which participation in the business of the meeting is affected. Where the Chairman of the AGM considers it appropriate, the Chairman may continue to hold the meeting and transact business at the physical venue, including conducting a poll and voting in accordance with valid proxy instructions.

As previously noted, Shareholders are encouraged to lodge a directed proxy vote by 10am (Sydney time) on Tuesday, 15 October 2024 even if they plan to participate in the meeting online or at the physical location, so that their vote will be counted if, for any reason, they cannot attend and vote on the day.

### FINANCIAL AND STATUTORY REPORTS

The financial report and the reports of the Directors and of the auditor for the financial year ended 30 June 2024 will be put before the AGM, as required by section 317 of the *Corporations Act*. The *Corporations Act* does not require a formal resolution of Shareholders on these reports. These reports are contained within the Company's 2024 Annual Report which is available on the Company's website at <https://www.perpetual.com.au/shareholders/reports-and-presentations>.

During this item of business, Shareholders will be given a reasonable opportunity to ask questions about, and make comments on, those reports and the business and management of the Company.

A reasonable opportunity will be given to shareholders as a whole at the meeting to ask the Company's auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

### RESOLUTION 1:

#### Adoption of the Remuneration Report

Shareholders are asked to adopt the Company's Remuneration Report for the financial year ended 30 June 2024. The Remuneration Report provides information relating to:

- the Board's policy in relation to the remuneration paid to KMP;
- the relationship between remuneration and the Company's performance, including information about performance measures applicable to variable incentives; and
- details of the remuneration paid to KMP for the financial year ended 30 June 2024.

The Company's approach to remuneration in FY24 was explained in the letter prefacing the Remuneration Report from the Chairman of the Company's People and Remuneration Committee. This letter is extracted below.

## Explanatory Memorandum (continued)

Dear Shareholder,

On behalf of your Board, I present the Perpetual Limited Remuneration Report for the financial year ended 30 June 2024 (FY24). Our Remuneration Report provides our shareholders and other stakeholders with a thorough and transparent explanation of how remuneration outcomes for our Key Management Personnel (KMP) were determined in FY24 and how, in the Board's view, they align with the longer-term interests of our shareholders, clients and other stakeholders.

### **Pendal Group integration, Board Strategic Review and Scheme Implementation Deed relating to acquisition of Wealth Management and Corporate Trust**

Perpetual continues to manage through a period of significant organisational transformation and change. In FY24, with support from the Board Integration Committee, integration activities related to the Pendal Group acquisition continued to progress and despite continued financial headwinds and net outflows in some boutiques, the Board assessed the integration program as being essentially completed as at 30 June 2024, having achieved the stated goal of A\$80 m in run rate synergies substantially earlier than the original target date of end of January 2025.

In December 2023, Perpetual Limited announced a Strategic Review of the business, with a potential outcome being, subject to regulatory and shareholder approval, a potential separation of Perpetual's businesses. On 8 May 2024, Perpetual Limited announced that it had entered into a Scheme Implementation Deed (SID) with an affiliate of Kohlberg Kravis Roberts & Co. L.P. (together with its affiliates, KKR) pursuant to which KKR will acquire 100% of Perpetual's Corporate Trust Business and Wealth Management Business from Perpetual Shareholders via Schemes of Arrangement, subject to shareholder vote, amongst other conditions (the Transaction).

Upon Transaction implementation, shareholders will continue to own shares in Perpetual Limited, which will be a leaner, debt free, multi-boutique Asset Manager with scale, high-quality investment teams, well-diversified investment capabilities, capacity for future growth, global distribution reaching across key geographies and channels and managing over A\$215 billion in AUM at 30 June 2024.

Perpetual is now focused on separating the Corporate Trust and Wealth Management businesses and setting up a standalone global multi-boutique Asset Management business for future success. To provide appropriate oversight of this critical program of work, a Board Implementation Committee was formed with an effective date of 25 June 2024.

### **Executive KMP retention and Variable Incentive outcomes for FY24**

The announcement of the Board Strategic Review created significant additional workload, challenge and uncertainty for critical roles across the business, including members of the Executive KMP. To ensure the stability of the leadership team while the Strategic Review was undertaken and any potential transaction effected, one-off cash retention awards and minimum Variable Incentive levels for FY24 were put in place for members of the Executive KMP (excluding the CEO and Managing Director). In the Board's business judgment, these initiatives were critical to ensure stability in leadership for both employees and prospective counterparties through the process and to execute on complex process and system changes arising from any potential transaction and subsequent separation. The Board believed these measures were necessary to deliver value to shareholders, in light of approaches to key talent following the announcement of the Strategic Review.

Section 1.3 provides detail on the structure and individual amounts agreed for each individual Executive KMP, excluding the CEO and Managing Director. It was agreed at the time that the CEO and Managing Director should not be considered for a retention award or minimum incentive.

- Retention awards are due to be paid in December 2024, subject to each member of the KMP not having given notice of resignation or retirement, complying with all Perpetual policies and meeting satisfactory performance objectives (including risk) up until the payment date.
- Minimum Variable Incentive amounts of 80% of target (46% of maximum) were agreed for all Executive KMP except the Chief Executive, Wealth Management, where a minimum incentive amount of 100% target (57% of maximum) was agreed. FY24 Variable Incentive awards remained subject to each Executive KMP member meeting agreed performance and risk objectives, which were reviewed by the People and Remuneration Committee (PARC) and Board as part of the year end process.

The Board did not agree to these arrangements lightly and considered the perspectives of shareholders and other stakeholders as part of its process. In the Board's view, the arrangements were necessary to provide critical stability for Perpetual in the specific circumstances presented to the Board and were a business decision to protect shareholder value as the Strategic Review was completed.

Perpetual's success relies on the quality of talent we can attract to, and retain within, our business. Our remuneration framework plays an important role in attracting, motivating and retaining our people. The retention of key talent during a period of elevated uncertainty was a key focus of the Board in FY24 and to support this, smaller retention awards were also offered to select employees, primarily in our Wealth Management and Corporate Trust businesses, to address the elevated risk in these businesses.

## Explanatory Memorandum (continued)

### Perpetual's performance in FY24

At a Group level, while Perpetual delivered growth in underlying profit after tax (UPAT) to A\$206.1m, underlying EPS of A\$1.786 was down 9.2% on FY23, driven by an increase in the weighted average number of shares on issue in FY24, following the Pental Group acquisition. Continued organic underlying profit growth was delivered in Corporate Trust and Wealth Management, supported by strong client engagement, while Asset Management experienced profit growth from the incorporation of a full 12 months of Pental Group earnings (compared to 5.5 months in FY23). Despite a stronger earnings result for Asset Management, the division was impacted by higher than expected net outflows of A\$18.4b, particularly in the second half of the year. Despite this, Assets Under Management for the year increased by 1.4% to A\$215 billion and average revenue margins were stable at 41 basis points. Investment performance across the Group remains robust, and at 30 June 2024, 66% of the Group's strategies were outperforming their benchmarks over a three-year time horizon.

In FY24, NPAT was impacted by a number of significant items which were unknown at the time the Board set the FY24 business plan. Significant items for the year included a non-cash impairment related to the carrying value of goodwill and other intangibles for the J O Hambro and TSW boutiques, amounting to A\$547.4m, as well as items associated with the Board's Strategic Review and resulting separation. As a result of these significant items, Perpetual reported a statutory net loss after tax of A\$472.2m for FY24.

While financial performance was challenged, Perpetual continues to deliver strong client outcomes. Our Net Promoter Score (NPS) outcome of +53 in FY24 resulted in an outcome of +50 for the second consecutive year and remained above Perpetual's long-term target of +45.

Further details of Perpetual's performance in FY24 are available in Section 7.

### Separation details for departing CEO and Managing Director

On 8 May 2024, alongside the conclusion of the Board's Strategic Review, the Perpetual Limited Board announced that the Group CEO and Managing Director would leave the business after an orderly transition to a new CEO and completion of the Transaction. Mr Adams served as CEO and Managing Director of the business during a period of substantial change, overseeing the transformation of the business from a largely domestic business to a global multi-boutique diversified financial services business. The Board is appreciative of Mr Adams' tenure and the contribution that he has made to the Group.

Mr Adams and Perpetual have agreed his retirement terms and in relation to his availability during the transition period of the Transaction, and they are as follows.

- Mr Adams will serve out the notice period in his contract by taking gardening leave from 1 October 2024 until 31 December 2024 or a later date set by the Chairman but no later than nine months from 1 October 2024, and this will be his termination date.
- Mr Adams' entitlements up to and at the termination date are set out in 1.4 below and follow his contractual and legal entitlements. His vested and unvested equity will vest (and be subject to meeting any hurdles) in accordance with the terms of those grants under their relevant plans.

### Incoming CEO

On 21 August 2024, Perpetual announced the appointment of Mr Bernard Reilly as the new CEO and Managing Director of Perpetual Limited, with a commencement date of 2 September 2024. Having started his career in portfolio management, Mr Reilly has extensive first-hand experience in managing client monies and a strong understanding of the challenges facing the asset management sector. Mr Reilly has a deep understanding of global asset management as well as strong operational experience and oversight of complex M&A transactions. As an experienced leader and business builder, Mr Reilly has earned the respect of the market, and the Board is pleased he will bring his talents to Perpetual.

Mr Reilly's appointment is to head the new and separated Asset Management company. Leading up to the completion of the Transaction, Mr Reilly will also carry overall duties in relation to the whole of the company. Mr Adams will remain available to assist in the transition. Mr Reilly's contract terms are set out in 1.5 below and are commensurate with the resized company going forward post the Transaction.

These terms were announced in the ASX release<sup>1</sup> of 21 August 2024.

## Explanatory Memorandum (continued)

### Changes to Board composition

Mr Philip Wagstaff was appointed to the Perpetual Limited Board effective 1 November 2023, filling the position vacated by the retirement of Ms Kathryn Matthews in FY24.

As foreshadowed in the FY23 Remuneration Report, in recognition of the increased oversight requirements required of the Board during a period of substantial business transformation, for FY24 the Board established two new committees to assist in directing focus to key areas requiring specific oversight – a Board Integration Committee, focused on integration activities associated with the Pental Group acquisition, and a Board Technology and Cyber Security Committee. With the formal integration of Pental Group essentially complete, the Board Integration Committee ceased on 31 July 2024 and was replaced by the Board Implementation Committee, established to oversee the implementation of the Transaction.

No other changes were made to Non-Executive Director fees for FY24 or FY25 outside of the appointment of Mr Greg Cooper to the newly created role of Deputy Chairman, to assist with the Asset Management business and to chair the sub-committee to recruit a new CEO of Asset Management, with effect from 8 May 2024.

### Changes to Board composition in FY25

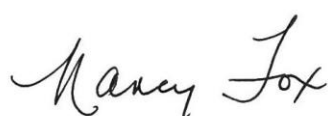

On 29 August 2024, Perpetual announced additional changes to its Board of Directors as it prepares for Transaction implementation and transitioning to a single purpose Asset Management business.

- Perpetual Chairman Mr Tony D'Aloisio AM intends to retire from the Perpetual Board following Transaction implementation scheduled for early 2025. Mr Cooper, appointed Deputy Chairman in May 2024, will assume the role of Chairman on Mr D'Aloisio's retirement.
- Independent Non-Executive Directors, Mr Ian Hammond and Ms Nancy Fox AM, will retire at the Annual General Meeting (AGM) on 17 October 2024 in accordance with Perpetual's Board rotation policy.
  - Ms Fiona Trafford Walker will Chair the PARC following Ms Fox's retirement at the AGM.
  - Perpetual is well advanced with the recruitment of an Independent Non-Executive Director to replace Mr Hammond as Chair of the ARCC. Perpetual is in the final stages of that appointment and will make the announcement in time for voting at the AGM.<sup>2</sup>

### Conclusion

On behalf of the Board, I would like to thank shareholders and other stakeholders for your valuable feedback and ongoing dialogue on our remuneration approach. We recognise that FY24 was a challenging year for shareholder returns and we have aimed to balance shareholder interests whilst ensuring that our team is remunerated such that your company has the best possible opportunity to deliver on our strategic goals.

Yours sincerely,

Nancy Fox AM  
Chair, People and Remuneration Committee

<sup>2</sup> As announced on 6 September 2024, Perpetual has appointed Mr Paul Ruiz as a Non-Executive Director. Mr Ruiz will Chair Perpetual's Audit, Risk & Compliance Committee following the expected retirement of Mr Ian Hammond at the 2024 AGM. The re-appointment of Mr Ruiz is the subject of Resolution 4 in this Notice of Meeting.

**ELECTION OF NON-BOARD ENDORSED CANDIDATE****RESOLUTION 5:****Election of Mr Rodney Forrest**

Mr Forrest, an external non-Board endorsed candidate, has submitted himself for election as a Director of the Company.

The Board has considered Mr Forrest's nomination in the context of the Board Skills Assessment and its composition. It has reviewed Mr Forrest's skills and experience against those already represented on the Board, as reflected in the Board Skills Assessment in the 2024 Corporate Governance Statement, and those required to support the execution of Perpetual's strategy and evolving needs.

The Board has also considered the extent of Mr Forrest's experience in director and senior management positions of sophisticated, globally operating companies of a scale and complexity similar to that of Perpetual. **RESOLUTION 6:****Approval of the hurdled equity grant to the new CEO and Managing Director****Grant of Performance Rights to the CEO and Managing Director under the KMP variable incentive plan**

ASX Listing Rule 10.14 requires the Company to obtain shareholder approval for the issue of securities to a Director under an employee incentive scheme. Accordingly, this resolution is being put to Shareholders to seek approval for a grant of hurdled performance rights to be made to the new Chief Executive Officer and Managing Director (**CEO**), Mr Reilly, in accordance with the Company's KMP Variable Incentive Plan (**Plan**) and Mr Reilly's contract of employment.

**Mr Bernard Reilly's Remuneration**

Mr Reilly commenced as the new CEO and Managing Director of Perpetual Limited on 2 September 2024. Having started his career in portfolio management, Mr Reilly has extensive first-hand experience in managing client monies and a strong understanding of the challenges facing the asset management sector. Mr Reilly has a deep understanding of global asset management as well as strong operational experience and oversight of complex M&A transactions. As an experienced leader and business builder, Mr Reilly has earned the respect of the market, and the Board is pleased he will bring his talents to Perpetual.

Mr Reilly's remuneration details are set out below and are commensurate with the resized company going forward following the Schemes.

There are two components to Mr Reilly's remuneration.

## Explanatory Memorandum (continued)

**Fixed remuneration**

The fixed remuneration component is \$1,000,000 per annum, inclusive of cash salary, superannuation, any packaged benefits and associated fringe benefits tax. Fixed remuneration will be reviewed by the Board annually.

**Variable incentive**

Mr Reilly will participate in the Plan. Under the Plan, he may be awarded an incentive (less applicable taxes and superannuation) based on the Board's holistic assessment of the CEO's performance, including an assessment against an agreed scorecard as well as risk and behavioural performance.

A summary of the material terms of the initial long term incentive (LTI) award is set out below.

- The LTI award will be allocated on or around 1 April 2025, assuming the transaction has completed by that date. If completion is delayed, the LTI award will be allocated post completion or otherwise before 30 June 2025. The intention is to align the award and associated performance measurement period to completion of the transaction and commencement of the stand-alone and focused asset management business.
- The number of performance rights will be determined by dividing \$1,000,000 (being the face value of Mr Reilly's initial LTI award) by the face value of a Perpetual share, calculated using the five-day volume weighted average price leading up to the allocation date.
- The LTI award is to be delivered as a grant of performance rights divided in two tranches, subject to shareholder approval:
  - 50% of the performance rights, representing a face value of \$500,000, will vest on 1 September 2027 subject to a Compound Annual Growth Rate (CAGR) absolute Total Shareholder Return (TSR) hurdle measured from the allocation date to the vesting date and convert into restricted shares for an additional 12 months; and
  - 50% of the performance rights, representing a face value of \$500,000, vest on 1 September 2028 subject to a CAGR absolute TSR hurdle measured from the allocation date to the vesting date and convert into unrestricted shares.
- In addition to the CAGR absolute TSR hurdle, vesting of performance rights and restricted shares will be subject to compliance with Perpetual's policies relating to risk management and Perpetual's Policy on Personal Trading in Perpetual Securities.
- Any restricted shares received on vesting of performance rights will be eligible to receive dividends and will be released from restrictions on 1 September 2028. Performance rights are not eligible to receive dividends. At the Board's election, cash to the same value can be paid as an alternative to providing shares.
- The absolute TSR performance hurdles will be aligned to the following achievement scale.

Compound annual growth in Absolute TSR	Percentage of relevant tranche of performance rights that vest
Less than 7% per annum	0%
7% to 10% per annum	Straight-line vesting from 50% to 100%
10% or above per annum	100%

- Calculation of the performance hurdle and achievement against the performance hurdle will be determined by the Board in its absolute discretion.
- At Perpetual, risk is a key component of the performance framework. The Board will have an overriding discretion to determine the vesting outcome and discretion to adjust or clawback vested and unvested equity in certain circumstances, including based on risk behaviour.
- There is no re-testing and any performance rights that do not vest on testing will lapse.

**Treatment of performance rights on cessation of employment**

If Mr Reilly ceases employment with the Company due to resignation or summary dismissal, Mr Reilly's unvested performance rights will lapse.

Restricted shares are retained on resignation (subject to the original conditions and restriction period) but are forfeited in the case of summary dismissal.

Should termination occur due to:

- termination by the Company with notice;
- redundancy;
- retirement (subject to Board approval);
- total and permanent disablement; or
- mutual agreement between the Company and Mr Reilly,

a pro-rata portion of any unvested performance rights, based on the proportion of the applicable vesting period served to the termination date, will remain on-foot subject to the original vesting conditions, performance hurdles, and restriction periods (if applicable), unless the Board determines otherwise. The remaining balance of unvested performance rights will lapse. Any restricted shares will remain on-foot subject to the original restriction period, unless the Board determines otherwise.

If termination occurs due to Mr Reilly's death, all unvested performance rights will immediately vest and any Restricted Shares will be released from restrictions subject to Board approval.

## Explanatory Memorandum (continued)

**Other Board discretions under the KMP Variable Incentive Plan**

The Board has discretion to make changes under the Plan. For example, the Board has discretion to:

- determine that all or a specified number of Mr Reilly's unvested performance rights vest, or restricted shares become unrestricted, in various change of control circumstances, having regard to all the relevant circumstances; and
- amend or add to the terms of the Plan.

The Board may in its discretion determine that performance rights vest prior to the vesting date or that dealing restrictions on restricted shares be lifted early. However, the Board is likely to only exercise this discretion in limited circumstances, for example, if a tax liability has crystallised.

The Company's Remuneration Report for the financial year ended 30 June 2024 contains further details about the Variable Incentive Plan.

**If shareholders do not approve the above grant to the CEO and Managing Director**

The equity component of the Plan is an important part of the CEO's total remuneration package. If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise the CEO.

**Other information provided in accordance with the ASX Listing Rules for Resolution 6**

- Performance rights are granted to the CEO as part of the CEO's variable remuneration. The CEO is not required to pay any cash consideration to receive rights, or to receive restricted shares or shares on vesting of performance rights.
- Perpetual grants the award in the form of performance rights because they create share price alignment between Mr Reilly and shareholders but do not provide Mr Reilly with the full benefits of share ownership (such as dividend and voting rights) unless the rights vest.
- No loans will be provided in relation to the grants.
- If approval is given for the purposes of ASX Listing Rule 10.14 the performance rights will be issued no later than 12 months after the 2024 AGM.
- Details of any performance rights issued under the Plan will be published in Perpetual's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of rights under the Plan after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.
- Listing Rule 10.15.4 requires this Notice of Meeting to include details (including the amount) of Mr Reilly's current total on-target remuneration package. Mr Reilly's target package for FY25 will be:

Total Fixed Remuneration (including superannuation)	\$1,000,000
Variable Incentive cash	\$500,000 (at target) <sup>1</sup>
Variable Incentive share rights (unhurdled equity)	\$500,000 (at target) <sup>1</sup>
Variable Incentive performance rights (hurdled equity)	\$1,000,000 (at target) <sup>1</sup>

1. The Variable Incentive at maximum is 175% of the target award.

- No performance rights have previously been issued to Mr Reilly under the Plan.
- A voting exclusion applies to resolution 6, as set out earlier in this Notice of Meeting.
- The Directors (with Mr Reilly abstaining) unanimously recommend that Shareholders vote in favour of resolution 6. The Chairman of the AGM intends to vote all available proxies in favour of resolution 6.

**RESOLUTION 7: Renewal of Proportional Takeover Provisions**

Clause 11.9 and Schedule 2 of the Company's Constitution contain provisions relating to proportional takeovers (**Proportional Takeover Provisions**).

This is a special resolution to renew the Proportional Takeover Provisions for a further three years. For a special resolution to pass, at least 75% of the votes cast by Shareholders entitled to vote on the resolution must be in favour. If this special resolution is approved and a takeover bid is subsequently made for some but not all of each Shareholder's shares, the Proportional Takeover Provisions will enable Shareholders as a whole to vote on whether the proportional bid should be allowed to proceed, independently from their individual decisions whether or not to accept the bid.

Under the Corporations Act, Shareholder approval of provisions relating to proportional takeovers extend for a three year period. Once the three year period elapses those provisions cease to have effect unless Shareholder approval is renewed by special resolution.

The Proportional Takeover Provisions were last refreshed at the Company's 2021 AGM and will expire shortly after the 2024 AGM if they are not renewed.

More detail about the renewal of the Proportional Takeover Provisions is set out below.

## Explanatory Memorandum (continued)

***What is a proportional takeover bid, and why do we need the proportional takeover provisions?***

A proportional takeover bid (also referred to as a 'partial takeover bid') involves the bidder offering to buy only a proportion of each Shareholder's shares in the Company. This means that control of the Company may pass without Shareholders having the chance to sell all their shares to the bidder. It also means the bidder may take control of the Company without paying an adequate amount for gaining control.

In order to deal with this possibility, the Company may provide in its Constitution that:

- in the event of a proportional takeover bid being made for shares in the Company, Shareholders are required to vote by ordinary resolution and collectively decide whether to accept or reject the offer; and
- the majority decision of the Company's Shareholders will be binding on all individual Shareholders.

The Board considers that Shareholders should be able to vote on whether a proportional takeover bid ought to proceed. Such a bid might otherwise allow control of the Company to change without Shareholders being given the opportunity to dispose of all their shares for a satisfactory control premium. The Board also believes that the right to vote on a proportional takeover bid may avoid shareholders feeling pressure to accept the bid even if they do not want it to succeed.

***What is the effect of the Proportional Takeover Provisions?***

If a proportional takeover bid is made, the Board must ensure that Shareholders vote on a resolution to approve the bid more than 14 days before the bid period closes.

The vote is decided on a simple majority. Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities is entitled to vote, except for the bidder and its associates, who are not allowed to vote.

If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. If the bid is approved (or taken to have been approved), the transfers must be registered if they comply with the Corporations Act and the Company's Constitution.

The Proportional Takeover Provisions do not apply to full takeover bids and only apply for three years after the date of Shareholder approval. The provisions may be renewed, but only by a special resolution. Similar provisions are commonly found in the constitutions of publicly listed companies on the ASX and are regularly renewed.

***Potential advantages and disadvantages***

The renewal of the Proportional Takeover Provisions will allow the Board to ascertain Shareholders' views on a proportional takeover bid. It does not otherwise offer any advantage or disadvantage to the Board who remain free to make their own recommendation as to whether the bid should be accepted.

The potential advantages of the Proportional Takeover Provisions include that they:

- will give Shareholders an opportunity to study a proportional bid proposal and vote on the bid at a general meeting;
- may help Shareholders avoid being locked in as a minority;
- may increase the bargaining power of Shareholders which may ensure that any partial offer is adequately priced; and
- allow Shareholders to know the view of the majority of Shareholders and may help individual Shareholders assess the likely outcome of the proportional takeover when determining whether to accept or reject the offer.

The potential disadvantages of the Proportional Takeover Provisions in the Constitution include that they may:

- discourage proportional takeover bids;
- reduce any speculative element in the market price of the Company's shares arising from the possibility of a takeover offer being made.
- be considered to constitute an unwarranted additional restriction of the ability of Shareholders to freely deal with their shares; and
- cause Shareholders to lose an opportunity of selling some of their shares at a premium.

The Board considers that the potential advantages for Shareholders of the Proportional Takeover Provisions outweigh the potential disadvantages. In particular, Shareholders as a whole are able to decide whether or not a proportional takeover bid is successful.

There have been no proportional takeover bids for the Company during the period that the Proportional Takeover Provisions have been in effect. Therefore, there has been no example against which to review the advantages or disadvantages of the provisions for the Board and the Shareholders, respectively, during this period.

At the date this Notice of Meeting was prepared, the Board is not aware of a proposal by a person to acquire, or to increase, a substantial interest in the Company.

The Board unanimously recommend that Shareholders vote in favour of resolution 7. The Chairman of the AGM intends to vote all available proxies in favour of resolution 7.
